Dear Potential Sponsor,

As a result of the tragic line of duty death of Trooper Jorge Dimas in 2009 the Wisconsin Troopers Association created our Fallen Heroes Fund and a new 501(C)(3) charitable foundation. As State Patrol troopers and inspectors, we understand that with the pride of serving comes the risk of life. At the end of the day, we are all citizens of Wisconsin and active members in our local communities. Monies raised for our charity will fund all of our association's philanthropic activities including:

- Our annual *Art & Essay Contest* is in its 25<sup>th</sup> year drawing participants and winners from across the state for kindergarten through high school seniors.
- *Little Convincer* program puts troopers in the classroom teaching our young children the importance of seat belt safety.
- *Scholarship* program for criminal justice students throughout the state.
- Regional donations to local community groups such as little league, area sports teams, boy and girls scout groups, etc.
- *Fallen Heroes Fund* to support the families of officers killed in the line of duty.

One of our primary methods of raising money for the Fallen Hero Fund is through our golf outings. Please consider supporting us by becoming a sponsor of the 2011 Fallen Heroes Golf Outing in any way possible. The enclosed informational describes the levels of sponsorship/giving. We appreciate your consideration and look forward to ongoing partnerships to keep Wisconsin safe and great. Respectfully,
